IT Strategy and Business Alignment review	£3000	£6000	By agreement
Data Protection Act compliance review	£1800	£3000	By agreement
Ad-hoc consultancy (day rate)	£600	£600	£600

The above prices are subject to a 10% discount for registered charities.

In addition to the above fixed rate services we can help with the following and will charge our ad-hoc consultancy rate:

- Client side advisory and supplier management
- IT Strategy
- Risk management and risk treatment plans
- Regulatory and standards compliance
- Security incident investigation
- Physical Security analysis and advice
- Security and operational processes and procedures
- Security standards compliance and in-depth IT auditing
- Consultancy to CISO standards (CLAS)
- Security design including networks, Internet portals, server hardening, remote access etc.

The above services will only be provided subject to a written agreement.

Email contactus@TeknikallyIT.co.uk for further information.

¹ We use number of employees as an estimation of the complexity of an organisation and its IT.

² The prices quoted are the maximum we would charge for this service. Should our ad-hoc consultancy rate prove more cost effective in specific instances, this is the rate we would charge.
